Our offering plate is located in the back of the sanctuary. We invite you to leave your gift before you leave this evening.

Do you know... "Bless our Mess"

Refreshing our church building has begun! The first project is restoration of the lower level pre-school area, and during this construction period,

the PCP hallway will be closed off. This is a major project (the cost of which our insurance is covering entirely) and as with any construction project, we have days that will be messy and noisy, others that will be quiet and you may wonder if anything is being done. Be assured, there is a lot going on each day! By the way, use of the Fellowship Hall and kitchen will continue as usual. Bathrooms are located in the hallway leading to the choir room.

Some project specifics:

The official start date was June 12, and began with the removal of the ceiling in the Cranston room in preparation for LED lighting, internet wiring, a new ceiling, wooden wall panels, staining, painting, and carpet cleaning. The next phase is demolition of the boys and girls bathrooms to prepare for new ceilings, fans, hand dryers, tile walls and floors, and new doors. The last stage of the project will be painting rooms, halls, signage, carpet installation, and wooden decorative acoustical wall panels.

There will be a dumpster in the parking lot for this project. This is for construction debris **only**. Please do not throw **anything** in the dumpster.

Safety First! Do not go around or through the construction curtains to go down the PCP hallway. There might be exposed wires, sharp edges on tiles, beams, etc. Besides, don't you want to be surprised?

Then, the BIG REVEAL to our congregation and students, and on to the next stage in our Master Plan as special gifts allow. Want to sponsor a project that is close to your heart? Make a special gift to the Master Plan. Come see me, Vince Kent, Accountable Leadership Team

First United Methodist Church Announcements in Brief

June 14, 2018

Announcements:

Farewell Potluck for Kapelke's: We will be hosting a farewell potluck brunch for the Kapelke family following the 9 am service on Sunday, June 24. Please plan to bring a dish to pass, including egg casseroles, breakfast pastries, fruit and anything else that goes with brunch. Scrambled eggs, breakfast meats and beverages will be provided. Don't miss the opportunity to thank Jim and his family for all their contributions!!

+Tech Help Needed: We are looking for volunteers to assist the church with some of our tech needs that we will have now that the Worship Director's position is being phased out. This includes people to create the worship service screens, set up and run the screens on Sunday morning and Thursday evening, trouble shoot computer issues, run the sound board, and assist the church staff with other tech issues as they come up. If you are tech savvy and willing to help in any way please contact the church office.

+Summer Music Wanted -September 2: We would love to have a Summer filled with music. If you would like to participate, have some musical family members or know of some local talent, please contact me to schedule a date. We are happy to have vocal soloists or groups as well as instrumental solos or groups. Let's fill our 9am Summer services with beautiful music! Brenda Nitardy 920-728-3143 or bnitardy3143@gmail.com

Lord, We Lift Our PRAYERS To You!

For our members & friends...

God has called us to support each other in prayer and so each week we list members and friends from our fellowship so we can all pray for them.
